

## STAG Exporter Resources FTA Business Support and Advice

---

### Source: Department of Foreign Affairs and Trade

To support Australian seafood exporters, here is a list of trade-related Federal Government support and advice available to help Australian business take advantage of free trade agreements (FTA):

**TradeStart** - A network of specialist export advisers located across the nation providing support and advice to Australian businesses. For more information, [click here](#)

**Austrade** - Experts in Australia and abroad collaborate to provide the best 'in-country' advice to businesses. For more information, [click here](#)

**Export Market Development Grants** - Provides financial assistance for aspiring and current exporters. For more information, [click here](#)

**FTA Digital Seminar Series** - How Australian businesses can use free trade agreements. For more information and recordings of past webcasts, [click here](#)

**FTA Portal** - Easy-to-access information on exporting and importing goods and services using Australia's network of free trade agreements. For more information, [click here](#)

**Trade Barriers** - Collaboration between government and industry stakeholders to remove non-tariff barriers faced by Australian businesses in overseas markets. For more information, [click here](#)

**AusIndustry** - Provides targeted advice and support to help businesses grow and succeed. Connects businesses to relevant grants and other support, including in relation to COVID-19. For more information, [click here](#)

**Export Finance Australia** - Provides financial solutions for export-related businesses through loans, guarantees and bonds. For more information, [click here](#)

**Australian Trusted Trader Program** - Reduces 'red tape' for accredited Trusted Trader businesses at the border and expedites the flow of their cargo in and out of Australia. For more information, [click here](#)

**Manual of Importing Country Requirements Website** - Sets out the requirements that exporters must meet for products and commodities to be accepted for import into other countries. For more information, [click here](#)
